

# Farida Ahmed's Poem

## Heavenly Sky

Is the sky heaven?  
They say the heaven is the home of the soul  
The star-turned souls twinkle in the sky  
To decorate the heaven.  
Everyday I search for my soul  
In the star studded sky.  
Searing my heart and shattering my dream  
I bedecked the heaven.  
What will it look like?  
I can hear in the heaven  
At midnight  
The sobbing of the stars.
